TRANSFER STATION FEE'S

* Wood: 1/2 ton pickup load	(N/C = No Charge)	\$15.00
* Metal:		N/C
* Shingles: 1/2 ton pickup load		\$35.00
* Demo debris: 1/2 ton pickup load		\$25.00
* Refrigeration, per item:		\$12.00 - \$15.00
* Rugs (room size) 12x12		\$ 3.00
* Mattresses & Springs:		
Regular and larger:		\$ 5.00
Twin size:		\$ 3.00
* Couch:		\$10.00
* Stuffed Chair:		\$ 5.00
* Wooden furniture:		\$ 5.00
* TV's 27" & less (residential)		\$ 3.00
* TV's over 27" (residential)		\$ 5.00
* Computer Monitors (residential)		\$ 3.00
* Commercial TV's & Monitors		\$12.00
* Propane Tanks	20 lbs	\$10.00
	>20 lbs	\$20.00
* If it can be given away:		N/C
* If furniture is taken apart and separated (stuffing, cloth, metal, wood):		N/C
* An armful of clean wood or demo debris:		N/C

The Town's cost for disposal is:

Metal	\$7.00 per ton
Wood	\$83.00 per ton
Demo	\$90.00 per ton
Shingles	\$60.00 per ton
Refrigeration	\$12.00 per unit

For those who do not choose to Substantially Recycle, the cost for bagged garbage disposal is \$.50 per bag up to 30 gal., \$1.00 per bag greater than 30 gal, and when actual weight is known, \$40.00 per ton.

SUBSTANTIAL RECYCLING MEANS:

Removing the following items from your household garbage EACH VISIT:

Newspaper Cardboard Mixed paper
Magazines Plastics Tin cans

All recycled items must be free from contaminants such as grease, oil, dirt, food, etc.

If you have any questions, please see the attendant on duty.

UNIVERSAL WASTE IS RECYCLED AT THE TRANSFER STATION. UNIVERSAL WASTE INCLUDES FLORESCENT LIGHT BULBS, BALLAST'S, MERCURY THERMOMETERS AND RECHARGEABLE BATTERIES

BUCKSPORT TRANSFER STATION
& RECYCLING CENTER

Transfer Station Road
(outer Central Street)
Bucksport, ME 04416

Operating Hours
Monday - Saturday 9am - 5pm
Sunday 8am - 2pm
Wednesday - CLOSED

Tel: 469-7496

This facility services the towns of
Bucksport and Orland by Permit only

All temporary permits may be obtained at
the Bucksport Town Office on Main Street

Misty Young, Asst. Operator

RECYCLABLE MATERIALS

NEWSPAPER, MAGAZINES, TELEPHONE DIRECTORY AND CATALOGS:

Loosely deposit in yellow container. You may combine all the above items in the same container. Do not bundle or leave in a paper bag. Items should not be contaminated.

MIXED PAPER:

Includes a wide variety of light cardboard boxes such as cereal or cracker boxes, shoe boxes, foreign cardboard, pizza boxes, boxes that toys are sold in, junk mail, office paper, egg cartons. Please remove the waxed paper liner from any container, flatten and dispose of in the designated green #2 baler located on the recycling wall.

CARDBOARD & BROWN PAPER BAGS:

Only corrugated cardboard and brown grocery bags. Flatten and dispose of in the designated green #1 baler left of the trash hopper.

CLOTHING:

Must be clean and not contaminated with dirt or other substances. Deposit usable clothes in the designated box container.

LEAVES, GRASS CLIPPINGS & GARDEN RESIDUE:

Dispose of in compost pile located behind the transfer station. Please remove all plastic bags and containers. Please stop and see attendant before going down back.

PLASTICS:

Includes all plastics that have the recycle symbol on the bottom and are labeled 1, 2 or 3. Rinse clean. There is no need to remove labels. Remove all caps and rings. Do Not Include plastic bags, motor oil containers, plastic wrap, styrofoam, brittle tubs, sour cream or cheese containers or plastic utensils. Dispose of the plastics in the yellow container marked for plastics on recycling wall.

GLASS:

Effective March 27, 2006, glass will no longer be recycled and therefore does NOT need to be separated from household garbage.

NOTICE TO ALL USERS

Substantial Recycling means that you separate the required materials EACH time you visit the facility.

TIN CANS:

Please rinse clean and flatten. There is no need to remove labels. Include covers and rings from other containers. Included aluminum items such as foil pie plates, pans or TV dinner containers. No motor cans. Dispose of the cleaned items at the end of the green table on the recycling wall.

METAL ITEMS:

There is no charge for metal items, except for:

Propane Tanks 20 lbs \$10.00
>20 lbs \$20.00
Refrigerators \$12.00
Air Conditioners, water coolers, etc. \$15.00

ITEMS NOT ACCEPTED:

Automobile gas tanks unless cut in half, unrinsed containers that contain a hazardous waste, and whole 50 gallon drums.

MOTOR OIL:

Regular used motor oil ONLY. See Attendant for disposal. Limited to 5 gallons per visit from containers no larger than 2 gallons.

MOTOR VEHICLE BATTERIES

There is no charge to dispose of m/v batteries. Batteries are to be placed in designated container.

DEMO DEBRIS:

1/2 ton pick-up load \$25.00 and limited to two loads per household.

CLEAN WOOD:

Includes brush, trees no larger than 6" diameter, lumber no longer than 8' in length. Limited to two loads per household.

ASPHALT SHINGLES:

Shingles must be free of wood and paper. Limited to two pickup loads per household. No asbestos shingles will be accepted.

In the past, no one thought of recycling computers and other electronics. But these days engineers have taken notice that electronics usually contain a wealth of valuable materials. Plus, recycling almost always means lower net carbon emissions that would normally be emitted while manufacturing a new product.

Finally, electronics are made with a sizable amount of lead, cadmium, brominated fire retardants and plastics that can leach toxic breakdown products — that's stuff no one wants in their water supply! Recycling electronics is good for the environment and our local communities.

If you have any questions about whether your electronic device can be recycled at the Buck-sport Transfer Station, feel free to contact us at 469-7496.

Nationally, approximately 2.8 billion pounds (1.4 million tons) of electronic equipment were recycled in 2006, including 65 million units of computer equipment (CPUs, monitors, and printers). The electronics recycling process yielded 1.3 billion pounds of recyclable materials, more than half of which were metals. Consumer electronics alone are now considered to be approaching more than 3 million tons generated annually.

Annual Report to the Orland

A Message from Senator Richard Rosen

January 2011

Dear Friends and Neighbors:

It is an honor to represent you in the Maine Senate, and I am grateful for the trust you have placed in me to work for the betterment of Orland and our region.

The State of Maine, like many of us, is experiencing tough economic times. Though we are facing a large budget shortfall over the next two years, I am confident we will be able to make progress toward returning stability to the State and do so in a way that reflects your priorities. In order to bring the budget into balance, the Governor, along with the Legislature, must make some significant changes in the way state services are delivered and how taxpayer money is spent. I am committed to working with fellow Legislators to craft a budget that reins in the unsustainable growth of state government, prioritizes core services like public health and safety, education, a safety net for our most vulnerable citizens, and our transportation infrastructure. I will be working diligently as Chairmen of the Appropriations and Financial Affairs Committee to further this goal and to make sure that our efforts create a positive impact for the long term future of Maine. Despite the challenges we face, this is an opportunity to retool state government, reduce the size of the bureaucracy, carefully review the effectiveness of current programs, and set Maine on the right course.

One of our first orders of business when the 125th Legislature convened in December was the passage of LD 1, *An Act To Ensure Regulatory Fairness and Reform*. The bill recognizes that one of the biggest impediments to job creation and capital investment in Maine is the burden of our regulatory structure. Given this, LD 1 proposes to reach out to employers and workers to identify duplicative and unnecessary regulations and eliminate or propose changes to these regulations in order to improve the business climate and encourage job creation and retention and expand opportunities for Maine people.

I am hopeful that by reining in state spending, prioritizing our wants and needs and developing strategies for improving our business environment, we can put Maine back on track toward prosperity and create the opportunities that will invite our young people to build a bright future here in Maine.

Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you ever need my help in navigating the state bureaucracy. I would be happy to help in any way that I can. I can be reached in Augusta at 287-1505.

Sincerely,

James S. Gillway

January, 2011

Dear Friends and Neighbors:

It is a pleasure to serve the residents of House District 41 in the Maine Legislature. I am honored that you have entrusted me with this responsibility and I look forward to beginning my first term as your representative.

Members of the 125th Maine Legislature were sworn into office on December 1, 2010. Lawmakers will face extraordinary challenges during the next six months as they work on fixing a significant hole in the budget. Early estimations pegged the shortfall to be at more than \$1 billion; however, the Revenue Forecasting Committee recently announced that the shortfall through the next two-year budget cycle should decrease by more than \$470 million. Although this is good news as to the number of dramatic cuts that need to be made to balance the budget, legislators still need to work together on ways to streamline our government and make sound structural changes that will reduce the cost of government. I look forward to working with our newly-elected governor and my colleagues from the House and Senate on both sides of the aisle to ensure that we have an efficient system in place that still provides a safety net for Maine's most vulnerable residents.

During the upcoming session, I will be serving as a member on two Joint Standing Committees both of which are of great importance to District 41. The State and Local Government Committee addresses a variety of public policy areas including State contracts, fiscal procedures, state government organization, and oversight of state officials, state employees and property. The Transportation Committee analyzes such issues as motor vehicle registration and license plates; driver licenses, transportation policy, aeronautics, highway and bridge construction and maintenance, highway safety, waterways, and railroads. I expect both committees to be extremely busy and I look forward to starting.

Again, thank you and please do not hesitate to contact me with questions or comments you may have concerning state government. I look forward to proudly representing the interests of House District 41 in Augusta.

Sincerely,

Representative James S. Gillway

Dear Orland residents and friends,

This past year, Mainers have faced many challenges. Yet as I travel across our state, I am inspired by the stories I hear of people coming together to help their friends, families and communities. I also continue to hear from many people who are worried about losing their jobs, heating their homes, putting food on the table and getting affordable health care. Although there are a few hopeful signs that our nation's economy is beginning to recover, there is much more we need to do to help Maine's economy.

As an example, I am very pleased that late last year the newly-created Northern Border Regional Commission received funding and will now be able to start working to create economic development and job creation projects in the most economically distressed areas of Maine, New Hampshire, Vermont and northern New York.

I am also pleased that Congress authorized a pilot program that would exempt Maine's interstate highways from the 80,000 pound federal truck weight limit and help get larger trucks off our back country roads. This is a good first step in addressing this issue, and I will continue to work to find a lasting solution that will improve road safety and increase productivity.

Our country has also taken important steps forward in protecting and improving veteran's benefits and health care. In October, I joined a number of my colleagues at the White House as President Obama signed the Veterans Health Care Budget Reform and Transparency Act. The legislation, which I helped introduce earlier this year, authorizes funding for the Department of Veterans Affairs (VA) medical care programs one year in advance of the start of each fiscal year, helping to end decades of uneven budget cycles and funding shortfalls that have contributed to the rationing of VA health care and inadequate access to treatment for our veterans.

Finally, my staff and I remain committed to providing quality constituent services whether it is help with cutting through red tape or a question about federal programs and benefits. If my office may ever be of assistance, please do not hesitate to contact me at my Bangor office at 207-942-6935 or by emailing me through my web page at www.house.gov/michael. While on my website, I also encourage you to sign up for occasional e-mail updates on issues important to Mainers.

Thank you again for the opportunity to represent you in Congress.

January 14, 2011

Town of Orland
PO BOX 67
Orland, ME 04472

Dear Town of Orland:

As the new session of Congress began, I was honored to become the longest, currently serving member of the U.S. Senate to have never missed a roll call vote. As the 111th Congress ended, I cast my 4,563rd consecutive vote. It is a privilege to represent you in Washington, D.C. and I appreciate this opportunity to share some of my recent work as we look forward to the opportunities and challenges that lie ahead in the 112th Congress.

Creating jobs and strengthening our economy remain our nation's most pressing challenges. Far too many families and individuals throughout Maine and our nation are still suffering from a sluggish economy and high unemployment. That is why it was so vital for Congress to extend the 2001 and 2003 tax relief laws. I strongly supported a two-year extension because allowing these laws to expire would have resulted in one of the largest tax increases in our nation's history, and job killing tax hikes could well have plunged our economy deeper into recession.

Last year, I spoke to small business owners throughout Maine who told me that a tax increase could result in a loss of jobs and threaten the viability of their businesses. It is good news that Congress passed the two-year extension of these tax relief laws before 2010 came to a close, providing more certainty to businesses and relief for all taxpayers.

After years of repeated but unsuccessful attempts by the Maine delegation to address the federal truck weights law, I authored a successful truck weights pilot program in 2009 that was in effect for one year. The pilot program permitted trucks weighing up to 100,000 pounds to travel on Maine's federal interstates, where these trucks belong, rather than being diverted to secondary roads, through small communities, downtown areas, and school zones. The benefits have been evident: improved safety, lower costs, reduced energy use, and reduced emissions. I was disappointed that the U.S. House of Representatives failed to take action either to extend the pilot program or to make it permanent. Making the truck weights program permanent will be one of my top priorities this year and will be the first bill I introduce in the new Congress.

The President signed into law a number of bills that I authored or coauthored. I was proud to join Senator Joe Lieberman in leading the effort to repeal the so-called "Don't Ask, Don't Tell" law that applied to our armed forces. This long-overdue repeal enables the U.S. to join 35 of our closest allies in welcoming the military service of any qualified individual who is willing and capable of serving our country.

My efforts to counter the smuggling of illegal drugs across the Canadian border into Maine, and vice versa, were advanced when the President signed the "Northern Border Counternarcotics Strategy Act." I was the lead Republican sponsor of this law, which requires the Office of National Drug Control Policy to develop a counternarcotics strategy similar to that of the Southwestern border in collaboration with our Canadian partners. The Senate Homeland Security Committee also conducted an extensive investigation into the Fort Hood terrorist attack. We will soon release a report with recommendations on how to reduce the possibility of such an attack in the future.

Former Senator Evan Bayh and I authored a new law that establishes a new Advisory Council to develop a national plan for combating Alzheimer's disease. For the first time, this law charges federal agencies to develop a strategy to advance efforts to fight this devastating disease, at no additional cost to taxpayers. As far too many people know, Alzheimer's disease inflicts pain and hardship on families, and costs Medicare and Medicaid billions, yet our nation has been lacking a national strategy to focus on this disease.

Maine's natural resource industries are essential to our prosperity. Last October, along with other Delegation members, I testified at an International Trade Commission hearing that resulted in a ruling that Chinese and Indonesian paper companies had been engaging in illegal trade that is unfair to our domestic industry. During the debate on the Food Safety Modernization Act, I successfully advocated for an amendment, backed by Maine's small and organic farmers, to protect our small farms from excessive regulation.

In my ongoing efforts to save jobs in Maine, I succeeded in convincing the EPA to rework regulations known as "boiler MACT" in a manner that protects the environment and public health without jeopardizing jobs in the forest products industry. I also authored successful legislation to provide small contractors more time to comply with EPA lead-based paint regulations. The high fines for non-compliance would have put many small contractors in Maine out of business.

Working with the University of Maine, I helped advance the development of deep water, off-shore wind energy. Last summer, Energy Secretary Steven Chu visited UMaine at my request, which resulted in an announcement that the Department would dedicate \$20 million to develop and test deepwater offshore wind technologies. UMaine remains on the cutting edge of this work, which has the potential to create 15,000 jobs.

I secured funding for a number of important transportation projects in 2010. For example, following my request, U.S. Transportation Secretary Ray LaHood announced that the Department would award \$10.5 million for Maine's effort to save freight railroad service in Northern Maine, and \$20 million for the rehabilitation of the Memorial Bridge between Kittery and Portsmouth.

As a member of the Senate Armed Services Committee, I worked to ensure that our men and women in uniform have the resources and support they need to protect our freedom. In 2010, I supported efforts to improve health care and other services for our military personnel and veterans, and authored key provisions to strengthen our national defense by supporting the vital work at Bath Iron Works, the Portsmouth Naval Shipyard, Pratt & Whitney, the Maine Military Authority, and other Maine industries. Following my letter last year to the President's top budget official urging him to include increased funding for the DDG-51 program in next year's budget, Defense Secretary Gates recently announced that the Pentagon would seek an additional DDG-51 in its five-year budget.

The 112th Congress will bring extraordinary challenges as we work to improve the economy, lower the unemployment rate, seek ways to reduce federal spending to bring the federal debt under control, and debate a host of other important issues. I am grateful for the opportunity to serve Orland and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Bangor Office at (207) 945-0417, or visit my website at <http://collins.senate.gov>. May 2011 be a good year for your family, your community, our state and our nation.

Sincerely,

Susan M. Collins
United States Senator

Report of the Board of Selectmen

To the Citizens of the Town of Orland;

The Town lost one of its greatest assets in the passing of Wayne Ames, member of the Board of Selectmen for 40 years; but, we all pulled together to become a stronger town government and community. He is deeply missed.

The town officials had a very busy 2010. One of our biggest challenges, again, is working with the RSU #25 and the state budget and program cuts. We almost had to borrow money at the of May because the late school budget figures for our town meeting. This pushed our regular March meeting into May. In 2010, voters approved the change to a fiscal year to put us in line with federal and state school funding schedules. We will be implementing those changes in 2011.

We also are working on the Orland River Dam deed with Verso Paper. The old town office has been cleaned and treated for its mold problem. Committees for both of these projects have been formed to find alternatives and uses.

The new intersection on Acadia Highway and the Upper Falls Road is a change to reduce accidents in that area. It will take some time to become adjusted.

The Planning Board has been working hard on a new Wind Power Ordinance.

We will continue to spend wisely, but still provide quality services for the residents of Orland.

As always, we wish to thank our fellow town officers, the road crews, and the committees and boards for their hard work.

Respectfully submitted,
Edward Rankin, Sr., Chairman
Ralph Gonzales
Lester Stackpole

Report of the General Assistance Administrator

The Selectmen adopted the General Assistance Ordinance (prepared by Maine Municipal Association, August 2005) on the 12th day of October 2006. The Appendices (A-C) are revised each year by Maine Municipal Association, which increases the amounts allowed. The Ordinance helps those in need and directs them to be responsible by living within their means. Applicants must show that they are attempting to improve the present situation which has caused them to seek assistance.

In 2010, we received 32 applications for assistance and paid 12 applications which consisted of 8 individuals, with 4 of the 8 being repeats. Of those 12 cases, we paid \$638.25 for housing, \$151.50 for electricity, \$1,366.15 for heat, and \$145.33 for prescriptions. The total cost for the 12 cases was \$2,301.24.

For 2010, \$8,700.00 was carried over from 2009, \$1,300.00 was appropriated for 2010; \$2,301.24 was spent, \$981.53 was reimbursed by the State of Maine. That leaves a balance of \$8,680.59 in the account.

With such a poor economy, we received 8 more applications, processed the same number of applications (12) as last year and spent \$1374.73 less than we did in 2009. Respectfully submitted,
Ralph Gonzales
General Assistance Administrator

Report of the Town Clerk & Tax Collector

As in past years, I wish to thank the citizens of the Town of Orland for their support in 2010. Being the first contact most citizens have with the Town, the Clerk's office strives to give the best service possible. We can not always answer a person's question; however, we usually can refer the person to the appropriate department.

In the clerk's office, we licensed 340 dogs in 2010. Please remember that a state-mandated \$25.00 late fee applies to re-registrations of dogs after January 31st of any given year.

We are still working with the MOSES program for hunting/fishing licensing and recreational vehicle registrations. The licenses are completed and the State knows instantly that a customer has their license and/or registration. In 2009, we registered 109 snowmobiles, 159 ATVs, and 371 boats. We also processed 601 recreational licenses. In 2010, we processed over 3000 motor vehicle transactions. In 2011, the electronic motor vehicle program will undergo a major update.

On the tax collection side, we will be moving from a calendar year to a fiscal year in 2011. This means an extra tax billing cycle will take place, with a second bill being generated. It will mean some changes; however, for budget purposes this change is necessary.

With times becoming more difficult, we understand that finding the money to pay property taxes is not always easy. ***Please be aware that taxes can be paid on a monthly basis instead of coming up with the lump sum in September. If you have fallen behind in your taxes, please consider making a payment arrangement with the Board of Selectmen. These arrangements call for a mutually agreed upon amount to be paid monthly.*** Call the office if you are interested.

Respectfully submitted,
Connie L. Brown, CMC
Town Clerk & Tax Collector

Report of the Assessors

The Town's total valuation went up from \$187,596,415.00 in 2009 to \$190,934,250.00 in 2010. New listings include 2 new homes, 2 mobile homes, 3 seasonal properties and 0 business expansions and 0 new commercial property.

The Assessors processed 98 real estate transfers from April 1, 2009 to March 31, 2010. Your tax bill showed that due to State Municipal Revenue Sharing and State Aid to Education, each bill has been reduced by 25%.

The Maine Revenue Service issued an update pertaining to Property Tax Abatement and Appeals Procedures, in August of 1993. If a taxpayer believes that the valuation of his or her property is too high, the taxpayer's only remedy is to submit a written application to the Assessors for an abatement within 185 days of the commitment date of the tax in question, stating the grounds for abatement.

Homestead Exemption Applications are available at the Town Office for the 2011 tax year. If you did not qualify last year, you may reapply. If you did qualify last year, you do not need to apply again. We granted 597 Homestead Exemptions for the year 2010.

The mil rate for 2010 increased from .0149 to .0156. The increase was mostly due to cuts in revenue and additional RSU costs.

The Assessors will be in session April 1, 2011 to provide Declarations of Estate Forms. Reminders of this date will appear in local newspapers and will be posted at the Town Office.

Respectfully submitted,
Betty Chavaree, CAT, Chairman
Mary Hauger, CMA
Geoffrey N. Hauger.

Ethel Snow - 1955

To the Taxpayers of the Town of Orland,

Last May, the townspeople voted to proceed with the changing our fiscal operating year to July 1 through June 30.

In order to get to the new fiscal year two things have to occur:

- The first is a six– month transitional period budget that will be brought before a special town meeting in December 2011. This budget is for basic municipal services from January 1, 2012 to June 30, 2012, deferring reserve monies, and larger purchases and projects to the full fiscal year budget. A tax bill for the six-month period, which is approximately one half of your normal annual bill will be mailed at the first of the year.
- The second is that the annual town meeting will now be held on the second Wednesday in June. That will allow us to hold the municipal elections on the second Tuesday in June, thus coinciding with the State’s June election.

Please note—in no case will you be paying more taxes than you normally would. For the eighteen months, beginning January 2012, the payments will just be scheduled differently. The six-month tax bill is made in the spring for the period of January 1st to June 30, 2012. In July, you will be billed for a full year’s tax, which will be for July 1, 2012 to June 30, 2012.

Changing a process that we have been accustomed to for so many years can become difficult; however, voters at our May 2010 town meeting believed this change to be in the best interests of the Town of Orland.

Orland Recreation Department 2010

Greeting to all Orland community Members.

This year has been a challenge for the few, but strong willing volunteers who continue to dedicate their time for the Town of Orland's recreation programs. As with any organization, it is the volunteer efforts that represent its success. The future of the Orland Consolidated School is at this time uncertain, but it is imperative for the Recreation Department's future to have more involvement.

Our programs have been greatly supported by our community members in Orland, Bucksport, Penobscot, Prospect and Verona! It is wonderful to see the surrounding towns coming to Orland with their children. It gives the Recreation Department encouragement to continue to provide these important activities for all.

Our programs include a fall soccer program for PreK-4, a January basketball for boys and girl's basketball in grades PreK-4, with open gym for Grades 5-8, Spring T-ball for grades K-2, and Spring Farm League for ages 8-12. Each program's enrollment was over 50 children joining in. Our Winter Basketball program had over 100 sign up!!

As always, the volunteers focus is on the children and giving them an opportunity to gain that "self-esteem" and confidence to go to the next level. As our President and dedicated coach Ed Hatch states – "We're here for the kids!"

Our cost for each program is still a \$10.00 fee, to cover our costs for a t-shirt, certificate or some type of recognition to each and every child.

I would personally like to thank Ed Hatch for his dedication, and the countless hours, mostly his Saturday mornings 8:00am to 12:00 noon. that he has given to make our recreation programs successful.

If anyone would wish to join the recreation department or has any ideas for activities you'd like to propose, please let us know!!

Respectfully submitted,
Jean Sargent, Treasurer

Orland Historical Society 2010

The society had a successful year with interesting speakers and a new meeting site. First, we would like to express our gratitude to the Town of Orland for its continued support. This money is used to maintain the museum, pay the insurance and related expenses.

Equally important to us is the use of the fire department's meeting room, which they so generously allow us to use. We find it very conducive for our meetings and especially so for our speakers. We want the Fire Department to know that we truly appreciated the use of the hall.

We welcomed several new members and hope that more of you will join us in the upcoming year.

Roger Wood, chairman for presentations did an excellent job. Speakers this season: were Bob and Betty Thurston who shared their experiences as Peace Corp volunteers; Christopher Glass who spoke on the architecture of many older Maine Homes; Jane Tannehill who brought part of her button collection, which she has been collecting since childhood and Roger Wood who shared his collection of milk bottles and a brief history of the dairy farms of Maine.

Jane Tannehill

Thanks for extended to our officers: Letha Wood, Secretary, Jo Ann Carlson, Treasurer and Roger Wood, Vice President for their work and dedication.

If you have suggestions for a speaker please contact Roger Wood at 469- 3354.

The Wardwell family property, a gift to the Historical Society, has been surveyed and the deed transferred. The site is adjacent to the parking lot of the Post Office in the village.

During the summer Don and Joyce Nelson of Shady Oaks Campgrounds hosted a bean supper, which was very successful. Thanks to all who cooked and worked to make this a successful venture, including all the campers who assisted. The winter gathering was held at the home of Roger and Letha Wood.

We look forward to having you join us in the spring remember you are welcome to attend and hear our speakers at any meeting.

Respectfully submitted,
Nancy Wasson
President

E.O. Sugden

Orland Fish Committee 2010

Spring came a little early in 2010 and the fishway at the Orland dam was open March 12. The splash boards were installed at the Alamoosook dam on March 16 compared to May 3rd last year. The town alewife trap was in place by April 1st and by April 12th, the first alewives were spotted below the dam in the fishway at the Orland dam. On April 27th, 120 bushels of alewives had been caught. May 3rd and 4th saw 578 bushels caught and sold. The run continued well into the end of May; as many fish were seen at both the Alamoosook and Toddy dams.

We continue to have problems with those pesky beavers as they enjoy plugging up the Toddy and Orland fishway almost every night. We had to call the Verso mill to open up the big gate three feet at Toddy to flush out the stream between Toddy and Alamoosook due to low water levels and many fish unable to pass through.

We also had problems with poachers during the run at both Alamoosook and Toddy. Several large totes were found in the bushes at Toddy and disposed of. Signs are posted at all the dams telling folks that it is illegal to dip alewives, but it continues to be a minor problem.

The town trap was removed on June 15th per state regulation. The total bushels netted was 1780, just a few bushels more than last year. The town's share of the money earned was 20% of the total or \$4,628.00. The alewives sold at \$13.00 per bushel. Jake Sutherland

Fish in pool below
bridge at Toddy dam,
June 2010

received \$18,512.00 after paying the town 20% of the total profit, but before he included his expenses.

Thanks, again to Wes Shute at Verso Paper, who maintains the dams. Thank you to the members of the Fish Committee.

Respectfully submitted,

Report of the Code Enforcement Officer

To the Citizens of the Town of Orland:

There were 33 permits issued by the CEO in the shoreland zone as follows:

New Residences & camps	4	Garages, Barns, Boathouses	1
Residence Additions	7	Decks and Porches	3
Rip Rap	2	Sheds	1
Cutting and Clearing	2	Driveway and Culverts	3
Docks, Piers, Ramps, Floats	6	Steps to Shore	2
Commercial Rebuild Structure	1	Infirmery	1

Once again, a big thank you to Ed, Ralph, Connie, Suzanne, the Assessors, my Planning Board and Board of Appeals and Gerry Guse. They make my job easier.

A reminder that all construction in the Shoreland Zone (within 250' from the shore), commercial structures and subdivisions need a permit. Please contact me at 469-3186 for building applications, forms or information. My office hours are 2 - 4 pm, Wednesdays at the town office. You may also call me at home at 326-4766.

Respectfully Submitted,
Judith Jenkins, CEO

Application Procedures

In order to provide information to anyone who is planning a project (new or old) in Orland, outlined is a brief description of those permits, which may be required. Unless otherwise noted, applications are available at the Town Office. A \$5.00 fee is charged for copies of any of the ordinances.

SITE PLAN REVIEW PERMIT: This permit is required for all development proposals for establishment, alterations, or substantial enlargements of commercial, retail, industrial, institutional buildings and multiple family dwellings consisting of three or more units. Permit approval must be obtained from the Planning Board. A fee is charged.

SUBDIVISION REVIEW PERMIT: Subdivision review is required whenever three or more units are developed or any one lot is divided three or more times in any five-year period. Approval for a subdivision must be obtained from the Planning Board. The application fee is dependent upon the number of units or lots.

SHORELAND ZONING PERMIT: This permit must be obtained by anyone who proposes to construct, modify, enlarge, or change the use of any building located within 250' of the shoreline or any other area as designated on the official shoreland zoning map, which is located at the Town Office. This permit must also be obtained by anyone who proposes any changes to the land, such as clearing, erosion control, etc. within those designated areas. Permits are issued either by the Code Enforcement Officer or the Planning Board. The Code Enforcement Officer makes the determination as to who issues the permit. Whenever a shoreland zoning permit is requested for a new or expanded building, a copy of a plumbing permit must be attached to the application.

FLOOD HAZARD AREA PERMIT: This permit must be obtained by anyone who plans to construct, relocate, replace, enlarge, or modify any building which is located in the Special Flood Hazard area as designated by the National Flood Insurance Act of 1968, such map being located at the Town Office. The Code Enforcement Officer issues this permit.

PLUMBING PERMIT: This permit must be obtained by anyone who is going to do any type of plumbing either on the interior or exterior of a new or existing building. The permit must be obtained from the Plumbing Inspector. A permit fee is charged and the amount depends on the number of fixtures, which will be installed. Once the permit has been obtained and the work completed, the Inspector must be notified so that he can inspect the work done. Plumbing permits are valid for twenty-four months after issuance. If a plumbing permit is being requested for the purposes of installing a subsurface disposal system, the applicant will be required to obtain the services of a certified soils scientist to design the system prior to seeking the permit. The Plumbing Inspector can be contacted for suggested names of certified soils scientists who serve the Orland area.

HIGHWAY ENTRANCE PERMIT: This permit must be obtained by anyone who is proposing to construct any driveway entrance or approach within the right of way of any town road. This is also true if the grade or location of any existing driveway entrance will be changed. Applications are obtained from the Road Commissioner. A similar permit has to be obtained from the Department of Transportation if the new entrance is proposed within a state owned right of way.

ELECTRICAL SERVICE FORM: Anyone who is planning to install a new electrical service will be required by the utility company to obtain a signed form from the Code Enforcement Officer indicating that the property on which the improvements are to be made is not in violation of subdivision requirements and a shoreland zoning permit has been obtained if required. There is no fee for this permit. Application forms may be obtained from the utility company.

WIRELESS TELECOMMUNICATIONS FACILITIES PERMIT: This permit is required for the location, construction and expansion of wireless telecommunication facilities. Permit approval must be obtained from the Planning Board.

NOTE: The above is solely informational and is not meant to represent any ordinance or state law in its entirety. Other state and federal regulation may apply to the same project. It is your obligation to obtain all other necessary permits before commencing work.

Report of the Orland Planning Board

The year 2010 brought activity equal to 2009 for the Planning Board. Projects approved were five site plan reviews, one site plan review to change Soper's Market to new owners and several shoreland zoning reviews that were passed onto the Code Enforcement Officer to issue permits and necessary paperwork. Fees collected were \$182.40.

The shoreland zoning map updating has been worked on all year; however, it is not complete.

The Board has seen several changes in its members in 2010. Nancy Wasson, Roger Wood and Michael Bishop were appointed members of the Board; while Kristin Cook and Clayton Duplessis moved to be alternate members.

The most time-consuming activity in 2010 was the preparation of a wind energy facility ordinance for the Town of Orland. The Board held many extra work meetings, trips to other towns that were also writing ordinances, as well as a trip to see a working system. The Board started with a State of Maine example ordinance and added or deleted some items. With the assistance of the Hancock County Planning Commission, and with review from the Town's attorney, the plan was completed at the December 6, 2010 meeting. Public hearings will take place in February 2011, with a special town meeting to vote on the ordinance to be held March 15, 2011. A wind energy facility ordinance will give the town a say...no ordinance will not.

Have a good year and keep smiling in these difficult times.

Respectfully submitted
Millard Clement,
Chairman of the Planning Board

Report of the Animal Control Officer

Selectmen and Citizens of Orland:

This year was a busy year with lots of complaints. I handled 30 complaints in 2010. The complaints ranged from barking dogs to animal trespass. With no state law under the animal welfare regulations against barking dogs, a town ordinance is necessary to pursue barking dog problems. Orland does have a provision for barking dogs in their ordinance. In order to enforce this ordinance, the person making the complaint will have to make it in writing and be willing to testify in court.

A change to the animal trespass law allows a summons to be issued on the first complaint now; not waiting or giving an owner 12 hours to remove trespassing animals anymore. Animal trespass only applies to livestock and does not apply to dogs or cats.

Please make sure to get your pets vaccinated against rabies and make sure your dogs are licensed with the Town Clerk's office.

Feel free to contact me with any questions at 469-3969 or via email at fire4utec@aol.com.

Respectfully submitted,

Robert L. Gross, Animal Control Officer

TO THE RESIDENTS OF ORLAND, MAINE:
GREETINGS,

I am pleased to provide you with a summary of the events our Sheriff's Department was involved with in your town in 2009. Although most incidents were as a result of citizens from your town calling for assistance or to report a crime, some, such as the service of subpoenas, were initiated by our office. Also, remember this summary only reports those incidents we were involved in and does not include any activity by the Maine State Police.

Abandoned Vehicle	1	Fireworks	1
Ambulance/Med Asst.	2	Harassment	20

Report of the Fire Department

Greetings residents of Orland

After much hard work, planning, and saving, we were proud to take delivery of a new KME pumper this past September. The new truck replaces a 23 year old pumper that will be relegated to forestry duty for the rest of its career.

Our new Pumper (Orland Engine 512) is a Kovatech Mobile Equipment brand pumper on a Ford 750 chassis. The truck has an onboard water tank carrying 1000 gallons of water, a 30 gallon class A foam cell, and a 1250 Gallon per minute Hale fire pump.

Our 2000 Pierce pumper cost in excess of \$190,000 when it was new and was financed for several years. The new truck which has the same capabilities 10 years later was purchased for 20,000 less (\$170,000) but was also paid for without the need to finance such a large amount; thereby saving the town money.

We were also, with the help of the selectmen, able to donate a 1986 converted military truck to the Frenchboro fire department. This will be their only piece of apparatus to fight fires on the island.

We were also able to upgrade part of the fire station heating system last year. The 40 + year old hot air furnace which had an efficiency rating in the 60-70% range was removed and replaced with two new propane fired units with efficiency ratings in the 90-95 % range.

We also had to replace several doors and install new locks after the second break in as many years.

We currently have two members enrolled in firefighter I and II class and they are due to finish this June

Home heating appliances and affiliated components are one of the leading causes of fires in the home. We urge you to have your chimney cleaned and inspected by a certified chimney professional at least once a year. Insure that your heating appliance is properly installed and maintained with appropriate clearances as per manufacturer's recommendations. In the past several years we have responded to a number of fires started by woodstove ashes which were disposed of improperly. When cleaning out your ashes always use a metal container and immediately remove them from your home and dispose of them in a safe place away from buildings.

When you call for help make sure we can find you quickly. We are still finding unmarked residences and businesses. Please post your house number so it can be seen easily from either direction from the road. Use numbers large and clear enough to be easily read from a responding vehicle and contrasting in color to the background and/or reflective. If you have questions or need help posting your house number please call us.

We hope that everyone in town has working smoke detectors in their homes. We often find however that some folks neglect to keep fresh batteries in their detectors or have no detectors at all. If you or anyone you know needs help checking, purchasing or installing smoke detectors please contact us at the fire department. We will be glad to see that you get the help you need.

George Stevens Academy Annual Report to the Community

George Stevens Academy has served the local community for more than two hundred years with tradition of academic and extracurricular excellence and community spirit that contributes substantially to the unique character of this area. Founded in 1803 as Blue Hill Academy, George Stevens Academy is an independent school serving local publicly-funded students as well as international and privately paid tuition students.

GSA's comprehensive program of studies offers more than 100 course offerings each year in ten different departments taught by experienced and dedicated teachers.

<u>GSA Enrollment</u>	<u>Boys</u>	<u>Girls</u>
Grade 9	37	24
Grade 10	41	37

Administration

George Stevens Academy welcomes community support and participation. The Board of Trustees is involved in a planning process to improve the program, support the staff, increase professional development, provide new buildings and renovate existing facilities. Please contact Rob Clapp or call the GSA office if you would like to be involved in any of our projects.

Finances

The State has set the maximum tuition rate for this year at \$9238.33. Our annual operating budget is \$4,200,000. We depend on a strong fund-raising effort to meet our expenses. In FY2010 the Annual Fund raised \$200,000 in unrestricted gifts and \$6,500,000 in restricted funds. The FY2011 goal is \$255,000 in unrestricted donations. Our ability to offer programs and services not funded by the state tuition is a distinct advantage of an independent school.

The Annual Fund is successful thanks to the many, generous contributions of GSA's alumni, parents & friends. In FY2010, more than 500 donors contributed to this community school.

For up-to-date information about GSA, our programs, and what's happening on campus, visit our Web site at www.georgestevensacademy.org. Thank you!

Bayard Brokaw
Head of School

Steamer "Agnes"

Superintendent's Report

It gives me great pleasure to be writing to the citizens of the Town of Orland as your superintendent of schools. I am pleased to report the students of Orland are being well served by the education provided by RSU 25. Notable achievements of the past year are highlighted by the completion of the District's Mission and Vision as well as a Strategic Plan. To achieve a major portion of our Strategic Plan all schools have been in the process of professional development activities designed to improve student's opportunity to learn.

Thanks to a recommendation and foundation work by Healthy Bay Communities, Bucksport High School participated in a successful Federal i3 Grant application with the Search Institute of Minneapolis Minnesota. This four year grant will support our efforts to improve graduation rates and student performance.

Another key curricular enhancement is the development of an approved CTE welding program. Bucksport High School was selected to institute a satellite program of the Hancock County Technical Center and is hosting a two year welding program. This partnership provides a focused technical program and allows Bucksport High School to host tuition students from around Hancock County.

Looking forward to the upcoming year, as a district we will be focusing on the implementation of a new K-6 grade mathematics program. The implementation of a new math series will provide consistent opportunity to learn for all district students, and along with our continued focus on literacy acquisition, will provide a strong foundation to improve student outcomes.

This past year has been challenging with the reduction of general purpose aid for education requiring a number of adjustments within our schools. One of the ways we were able to meet the challenge was to move all middle school students to Bucksport Middle School for the 2010-2011 school year. By capturing the efficiencies of the Regional School Unit we were able to limit the impact of the reduced State support on our local communities. The future fiscal challenges will continue for the foreseeable future and will best be met by continuing to maximize to efficiencies available within RSU 25.

I look forward to serving the Orland community and will continue our efforts to make the school system the best we can for the students and citizens of Orland and RSU 25.

Respectfully Submitted,

James Boothby, Superintendent of Schools

Report of the Orland Principal

Our second year as part of the RSU 25 School District saw the Orland School's middle grade levels, grade five to grade eight students, transferred over to the Bucksport Middle School. This left OCS with one-hundred and five (105) pre-k to grade 4 students, a part-time principal (60%), six classroom teachers, one half-time special education teacher, one response to intervention teacher, one educational technician, a part-time speech teacher, a part-time guidance person, three part-time unified arts personnel, a part-time nurse, one library monitor, a part-time literacy coach, a part-time reading recovery teacher, two kitchen personnel, two custodians, and one secretary.

Although the transition process created some questions regarding positions and classroom reconfiguration, our full-time classroom teachers at the OCS middle school level received positions throughout the RSU 25 School District. One OCS long-termed teacher, Stephanie Redman, grade one, retired after many years of professional dedication to the children of Orland. Long time teacher, Robin Bray, grade 5 and grade 6, decided to retire due to health reasons. Robin sent out a recent e-mail with the positive news that she is doing well. Our very talented music teacher, Andria Chase found a full-time music position at Central High School in Corinth. Our support staff was provided with job opportunities throughout the district, as well.

Aside from down-sizing our numbers, OCS is still the caring, nurturing school that has made it such a positive environment over the years to learn in. Teachers, support staff, students, and parents still have that wonderful inner glow that tells us that all is well with the Orland School. Special events are still a major part of the school scene. Our annual Thanksgiving meal was well attended by parents, grandparents, and friends. The Fall Fun Day was special as small groups of children led by our fourth-grade students trooped from room to room to participate in special educational and fun activities. The Christmas Concert played to a packed gymnasium as our new music teacher, Willy Kelly, presented a wonderful holiday show. Also, during the holiday season, the OCS students raised over \$700.00 that was donated to support the training of a guide dog that will assist disadvantaged people in leading more independent life styles. Add to that numerous educational assemblies and field trips and the students at OCS are being served very well.

From an academic standpoint, the OCS students are doing quite fine. NECAP assessments have replaced the MEA's. Our third and fourth grade students are making AYP (Annual Yearly Progress). During this past fall's NECAP's, 77 per cent of our students were proficient in reading and 63 per cent were proficient in math. Other assessments that students are taking to determine their academic skill development include the NWEA (Northwest Evaluation Association) for grade 4, CPAA (Children's Progress Academic Assessment) for grades k to grade 3. In reading, the Fountas and Pinnell assessments take place three times per year. Every student is assessed in the fall, winter, and spring to determine where they are in their reading skill level. All of these assessments are tools to inform the teachers where students are and what academic skill areas need more concentration. Students that are not meeting grade level benchmarks in reading and math receive tier one classroom interventions. Tier one support continues until the students reaches grade level benchmarks or it is determined that additional intervention is required. The tier two support (out-of-classroom intervention) along with regular class support continues as long as the student is making progress or meets grade level benchmarks. If the student fails to show progress or sufficient gains with tier two support, an intensive, assessment based intervention is put in place of longer duration. This is the tier three program that focuses intensely on the individual. Throughout all three levels, the student's progress is monitored through data analysis of assessments and classroom observation. Behavior intervention steps are in place at every grade level, as well.

What is in store for the Orland Consolidated School's 2011/2012 school year is not known at this time. However, with adequate funding from the State always a question mark and RSU 25's shrinking enrollment the future may not be very bright for OCS. Whatever the future holds, you can be proud of the long-standing excellent education record that the Orland Consolidated School has provided for the children of Orland. As always, I'm honored to be a small part of this wonderful school and the services it has provided. This is my seventeenth year at OCS, seven as the Physical Education teacher and the Athletic Director and ten as the Principal. I can truly say that I've enjoyed every year, the challenges and successes, the students, the staff, and the community. I thank you all for the tremendous support through those seventeen years.

Respectfully Submitted,
Ivan Braun, Principal

**WARRANT AND NOTICE OF ELECTION
TO CALL REGIONAL SCHOOL UNIT NO. 25 REFERENDUM
(20-A M.R.S. §1512)**

TO: Jane Marston, a resident of Regional School Unit No.25 composed of the Towns of Bucksport, Orland, Prospect and Verona Island, State of Maine.

In the name of the State of Maine, you are hereby ordered to serve upon the municipal clerk of the Town of Orland, an attested copy of this warrant and notice of election. Service shall be in hand within three (3) days of the date of this warrant and notice of election. The municipal clerk of the Town shall immediately notify the municipal officers, who shall post the following warrant and notice of election:

**TOWN OF ORLAND
REGIONAL SCHOOL UNIT REFERNDUM
WARRANT AND NOTICE OF ELECTION**

Hancock, ss.

State of Maine

TO: Connie Brown, Town clerk of Orland: you are hereby required in the name of the State of Maine to notify the voters of this municipality of the election described in this warrant and notice of election.

TO THE VOTERS OF ORLAND:

You are hereby notified that a referendum election will be held at the Orland Town Office, 25 School House Road in the Town of Orland at 8:00 A.M. on May 9, 2011 for the purpose of determining the following articles:

Article 1A: To choose a moderator to preside at said meeting.

Article 1: Do you favor authorizing the School Board of Regional School Unit no. 25 to close the Orland Consolidated School?

The additional cost of keeping the school open has been estimated by the School Board of Regional School Unit No. 25 to be \$328,399.20.

The voting on Article 1 shall be by secret ballot referendum. The polls will be opened immediately after the election of the Moderator following commencement of the meeting at 8:00 A.M. and closed at 8:00 P.M.

The Registrar of Voters will hold office hours while the polls are open to correct any error in or change a name or address on the voting list; to accept the registration of any person eligible to vote and to accept new enrollments.

A person who is not registered as a voter may not vote in any election.

Given under our hand this day, April 7, 2011 at Bucksport, Maine

TOWN MEETING WARRANT

To Robert Mushrall, a constable in the Town of Orland, in the County of Hancock.

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the voters of the Town of Orland, in said County, qualified by law to vote in town affairs, to meet at the Orland Town Office, in said town, on Monday, the 9th day of May A.D. 2011 at 8 o'clock in the forenoon, then and there to act on Articles numbered 1 through 2.

And, to notify and warn said voters to meet at the Orland Consolidated School Gym, in said town, on Tuesday, the 10th day of May, 2011 at 7 o'clock in the evening, then and there to act on Articles numbered 3 through 22. All of said articles being set out below.

The polls for voting on Articles numbered 1 through 2 will be open at 8 o'clock in the forenoon and will close at 8 o'clock in the evening.

ARTICLE 1. To choose a moderator to preside at the said meeting.

ARTICLE 2. To choose by secret ballot the following officers; one Selectman and Overseer of the Poor for three years, one Assessor for three years, and one Fish Committee Member for four years.

ARTICLE 3. To accept the report of the Municipal Officers and Superintendent of Schools as written.

ARTICLE 4. To authorize the Board of Selectmen to appoint the following officers: Constable, Fire Warden, Civil Preparedness Director, Fish Warden, Plumbing Inspector, Animal Control Officer, Planning Board Members, Board of Appeals Members, Registrar of Voters, Solid Waste District Board Members, Recreation Committee Members, River Day Committee Members, Code Enforcement Officer.

ARTICLE 5. Shall the Town vote to raise or appropriate the following sums for Administration:

	2010	2011
Town Officers' Salaries	65,000.00	70,500.00
Current & Contingent Account	73,750.00	68,750.00
Unemployment Compensation	900.00	900.00
Worker's Compensation	2,104.00	900.00
Social Security	8,000.00	8,000.00
Town Hall Maintenance	5,000.00	5,000.00
Town Property Maintenance	6,000.00	6,000.00
Utilities	<u>7,000.00</u>	<u>7,000.00</u>
<i>The Selectmen recommend</i>	\$167,754.00	\$167,050.00

ARTICLE 6. Shall the Town vote to raise or appropriate the following sums for Health and Sanitation:

	2010	2011
Solid Waste Disposal	63,000.00	63,000.00
Septic Waste Disposal	4,000.00	4,000.00
Community Health & Counseling Services	2,200.00	2,225.00
Hospice of Hancock County	400.00	400.00
Eastern Area Agency on Aging	1,400.00	1,400.00
Bucksport Regional Health Center	0.00	1,000.00
Bucksport Community Concerns	2,500.00	2,500.00
Child & Family Opportunities	200.00	800.00

Bucksport Bay Healthy Coalition	600.00	600.00
Washington-Hancock Community Agency	3,559.00	3,490.00
Hancock County Home Care	2,100.00	2,100.00

Downeast Health Services	1,710.00	1,750.00
Downeast Horizons	0.00	1,600.00
Yesterday's Children	<u>300.00</u>	<u>300.00</u>
<i>The Selectmen Recommend</i>	\$84,106.00	\$87,302.00

ARTICLE 7. Shall the Town vote to raise or appropriate the following sums for General Assistance:

	2010	2011
<i>The Selectmen Recommend</i>	\$1,300.00	\$1,400.00

ARTICLE 8. Shall the Town vote to raise or appropriate the following sums for Protection:

	2010	2011
Bucksport Ambulance Service	29,847.00	31,768.00
Bucksport Dispatch Service	11,948.00	12,187.00
Legal Fund	0.00	500.00
Orland Fire Department	44,000.00	50,000.00
Civil Emergency Preparedness	500.00	500.00
Animal Control	0.00	1,000.00
Street Lighting Program	<u>3,500.00</u>	<u>3,600.00</u>
<i>Selectmen Recommend</i>	89,795.00	99,555.00

ARTICLE 9. Shall the Town vote to raise or appropriate the following sums for roads:

	2010	2011
Winter Road Maintenance	216,000.00	216,000.00
Road Maintenance & Paving	300,000.00	300,000.00
Special Road Projects	<u>45,000.00</u>	<u>45,000.00</u>
<i>The Selectmen Recommend</i>	\$561,000.00	\$561,000.00

ARTICLE 10. Shall the Town vote to raise or appropriate the following sums for Recreation:

	2010	2011
Bucksport Recreation Program	4,727.00	4,822.00
Orland River Day	500.00	500.00
Orland Historical Society	1,000.00	1,000.00
Buck Memorial Library	4,000.00	4,000.00
Downeast YMCA	2,500.00	2,500.00
Family Snowmobile Club	<u>600.00</u>	<u>600.00</u>
<i>The Selectmen Recommend</i>	\$13,327.00	\$13,422.00

ARTICLE 11. Shall the Town vote to raise or appropriate the following sums for miscellaneous accounts:

	2010	2011
Care of Parks & Cemeteries	6,000.00	6,000.00
Capital Reserve Fund	50,000.00	50,000.00
School Building Reserve	0.00	15,000.00
School Building Expenses	<u>0.00</u>	<u>10,000.00</u>
<i>The Selectmen Recommend</i>	\$56,000.00	\$81,000.00

ARTICLE 12. Shall the Town vote to raise or appropriate the following sums for County Tax:

	2010	2011
<i>The Selectmen Recommend</i>	\$94,417.00	\$93,381.00

ARTICLE 13. Shall the Town vote to use the following revenues to reduce the 2011 appropriations:

	2010	2011
Surplus	15,000.00	15,000.00
Excise Taxes	340,000.00	343,000.00
State Revenue Sharing	86,000.00	84,000.00
Local Road Assistance	30,000.00	30,000.00
Town Clerk Fees	12,500.00	12,500.00
Dog License Fees	1,000.00	750.00

<i>The Selectmen Recommend</i>	\$485,100.00	\$485,850.00

ARTICLE 14. Shall the town vote to exceed the property tax levy limit of \$499,879.00 established by State law for the Town of Orland due to extraordinary circumstances outside the control of the municipal legislative body.

The Selectmen recommend passage

ARTICLE 15. Shall the Town vote that the taking of alewives for the year 2012 from all waters in the Town of Orland be regulated by the Fish Committee and the Selectmen according to the general laws of the State of Maine and the Town of Orland.

ARTICLE 16. Shall the Town of Orland vote to allow the Selectmen to sell the parcel of land on Map 46 Lot 10; which was previously voted by the Town to retain in article 31 of the town meeting held 3/20/2001.

ARTICLE 17. Shall the Town vote to allow the Selectmen to negotiate wages for Town labor and equipment.

ARTICLE 18. To see what method the Town will use to collect taxes.

The Selectmen recommend: the same method as used in 2010.

ARTICLE 19. Shall the Town vote to charge interest on all taxes after September 30, 2011.

Recommended Rate: 7% per annum

ARTICLE 20. Shall the Town vote to authorize the Selectmen to dispose of any Town-owned land or real estate acquired by non-payment of taxes on such terms as they deem advisable, to execute quit-claim deeds for the same, and to sell and dispose of any obsolete equipment and property.

ARTICLE 21. Shall the Town vote to authorize the Selectmen and Treasurer to borrow money and issue the Town's negotiable note from money raised during the year.

ARTICLE 22. Shall the Town vote to authorize the Selectmen and Treasurer to issue General Obligations Securities of the Town for the purpose of funding and refunding certain notes of the Town due now or to become due during the municipal year, 2011, and to fix time within which said securities are to become due.

Connie Brown, Registrar of Voters, will be at the Town Office during business hours for the purpose of correcting the voting list and for new registrations.

Given under our hands at Orland on the 7th day of April, 2011.
